Congress Recognizes World War II Service

WASHINGTON – Secretary of Veterans Affairs Eric K. Shinseki announced a new benefit for Filipino Veterans who aided American troops in World War II -- a cash payment authorized through the newly enacted American Recovery and Reinvestment Act.

Claims are now being accepted from Filipino Veterans eligible for one-time payments of \$9,000 for non-U.S. citizens and \$15,000 for Filipino Veterans with U.S. citizenship. The Department of Veterans Affairs (VA) is working to begin making payments as soon as possible.

VA and the Embassy of the United States in Manila have announced locations in the Philippines where Veterans can apply immediately. The list has been posted at <http://manila.usembassy.gov>.

To receive information by mail, United States residents may call 1-8... . Philippine residents may call 632-528-2500 (within Metro Manila) or from outside Manila at 1-800-1888-5252. In addition, Filipino Veterans may request information via email at <https://iris.va.gov>.

The VA Regional Office in Manila will process all claims for this benefit. Therefore, U.S. residents should mail the application to the Department of Veterans Affairs, Regional Office, PSC 501, FPO AP 96515-100.

Extensive outreach is planned to alert World War II Veterans throughout the Philippines. Claims must be submitted by Feb. 16, 2010, a year after the bill's signing.

The payments do not affect other benefits Veterans may be receiving. The VA regional office in Manila currently provides approximately \$15 million monthly in monetary benefits to Veterans residing in the Philippines. About \$8 million of this goes to Filipino World War II Veterans or their survivors each month.

WORLD WAR II FILIPINO VETERANS EQUITY COMPENSATION FUND

The President of the United States signed the American Recovery and Reinvestment Act of 2009 on February 17, 2009, authorizing the release of a one-time, lump-sum payment to eligible World War II (WWII) Philippine veterans.

These payments are to be made through the U.S. Department of Veterans Affairs from a \$198 million appropriation established for this purpose. Applying for this benefit will not affect other existing Veterans benefits.

Q: Who is eligible for the new benefit, a one-time payment authorized by the American Recovery and Reinvestment Act of 2009?

- Persons who served before July 1, 1946, in the organized military forces of the Government of the Commonwealth of the Philippines, while such forces were in the service of the Armed Forces of the United States;
- Members of the organized guerrilla forces under commanders appointed, designated, or subsequently recognized by the Commander in Chief, Southwest Pacific Area, or other competent authority in the Army of the United States;
- Persons who served in the Philippine Scouts under Section 14 of the Armed Forces Voluntary Recruitment Act of 1945.
- To be eligible for the new benefit, service members in each of the three categories above must have been discharged or released from service under conditions other than dishonorable.

Q: How do I apply for this benefit?

- The United States Department of Veterans Affairs is now accepting claims. Claims can only be accepted from Filipino WWII veterans. We encourage all Filipino WWII veterans to apply in person. Claims from spouses, widows and children of Filipino WWII veterans cannot be accepted.
